

Making a splash for CHOP

St. Katharine of Sienna students were rewarded with being able to dunk teachers and their principal for helping to raise over \$45,000 at the 9th Annual Miriam Quigley Dance-A-Thon in March. Dr. Peter Phillips (photo right), head of neuro-oncology at The Children's Hospital of Philadelphia, spoke to the students and accepted a check for \$45,000 from principal Frank Tosti and Helena Quigley, president of Miriam's Kids Research Foundation. The Foundation was formed in memory of the Quigley's youngest daughter, Miriam, who passed away of a brain tumor in 2005. Miriam's Kids has raised over \$700,000 in 9 years for Brain Tumor Research at CHOP.
